## LOOSE LEAF TEAS

0,35 l

*We have made a selection at Amana, a company dedicated to importing the finest teas from around the world since 1996.*

### **Black tea: Assam Second Flush Sftgfop1 Dhelakat Tippy**

75,-

Black Indian tea from the lowland region of Assam, located on both banks of the Brahmaputra River. Very good class of Assam black tea from the summer harvest of the Dhelakat tea garden. High quality whole leaf with a proportion of tips.

The infusion has an excellent, fairly full, balanced, honey-sweet taste, quite typical of this type of tea.

### **Green tea: China Zhejiang Green Tea Lung Ching**

75,-

Probably one of the most famous Chinese green teas ever. Lung Ching is also called the Dragon Well. The tea is traditionally grown around West Lake near Hangzhou. According to the Chinese tradition, it is known for its "four unique characteristics": green colour, balanced flavour, aroma and beautiful shape.

Light green infusion with a distinctive, excellent, balanced, grassy-sweet taste with a pleasantly bitter, nutty, roasted scent.

### **Jasmine tea: China Jasmin Mandarin**

75,-

Tea enriched with the scent of jasmine flowers. It is made by scenting green tea with jasmine petals – just mixing the flowers with the tea leaves, which absorb the scent. However, the jasmine flower always gives the infusion a distinctive, slightly intoxicating taste, typical of jasmine teas. Very good quality longer, sturdy leaf with a proportion of tips.

Very good, pleasantly slightly bitter, strong jasmine-sweet taste.

### **Berry compote**

75,-

High quality blend of chokeberry, grape, blackberry, raspberry, blueberry, blackcurrant, elderberry, cranberry, hibiscus and rosehip, spiced with cinnamon bits.
